Innovation

100%

Solution

100%

The background features a low-angle shot of three incandescent light bulbs hanging against a bright blue sky with scattered white clouds. The bulbs are positioned in the upper corners and center. Overlaid on this are several geometric shapes: a large, semi-transparent dark blue circle in the center, and four diagonal bands of varying shades of blue and dark blue that intersect to form a large 'X' pattern across the entire image.

# ABOUT US

The image features a large, 3D-style logo for 'SOLACE' in blue and white, mounted on a glass partition in an office setting. Below the main logo, the text 'SOLACE SYNERGY SDN BHD' is visible in a smaller, brown font. The background shows a blurred office interior with desks, chairs, and computer monitors. A large, semi-transparent blue wave graphic is overlaid on the bottom half of the image.

# SOLACE ATMOSPHERIC WATER GENERATOR (SAWG)

The SAWG patented adiabatic distillation process replicates and augments nature's hydrologic cycle by circulating ambient air through a condensation chamber where the dewpoint is constantly maintained, literally harvesting available vapor right out of the air, creating a continuous flow of water, even in low humidity conditions.

The water produced from the Solace AWG is not only clean, it's also very safe for drinking since it's been treated with ozone injection and UV radiation to eliminate any bad odour, impurities, disinfect bacteria and virus, and killing any other unwanted microorganism in the water.

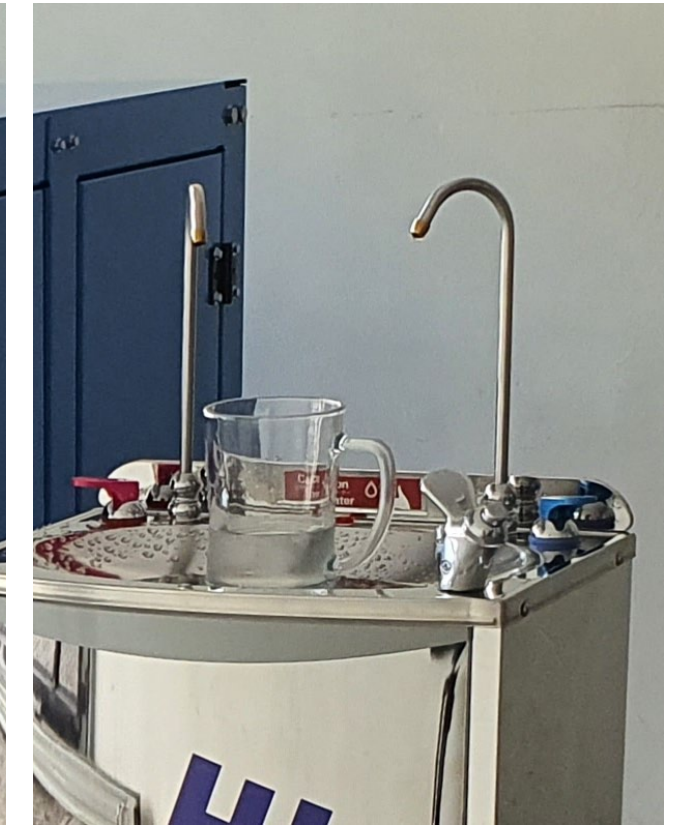

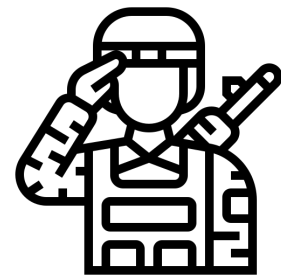

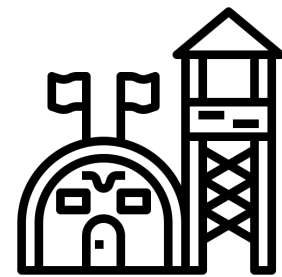

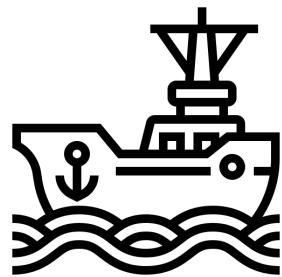

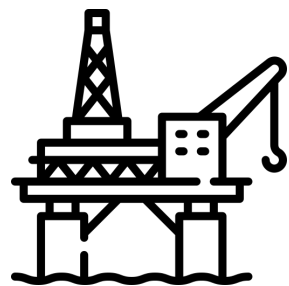

# SOLACE ATMOSPHERIC WATER GENERATOR (SAWG)

## ★ EXTERNAL WATER DISPENSER COMPATIBLE

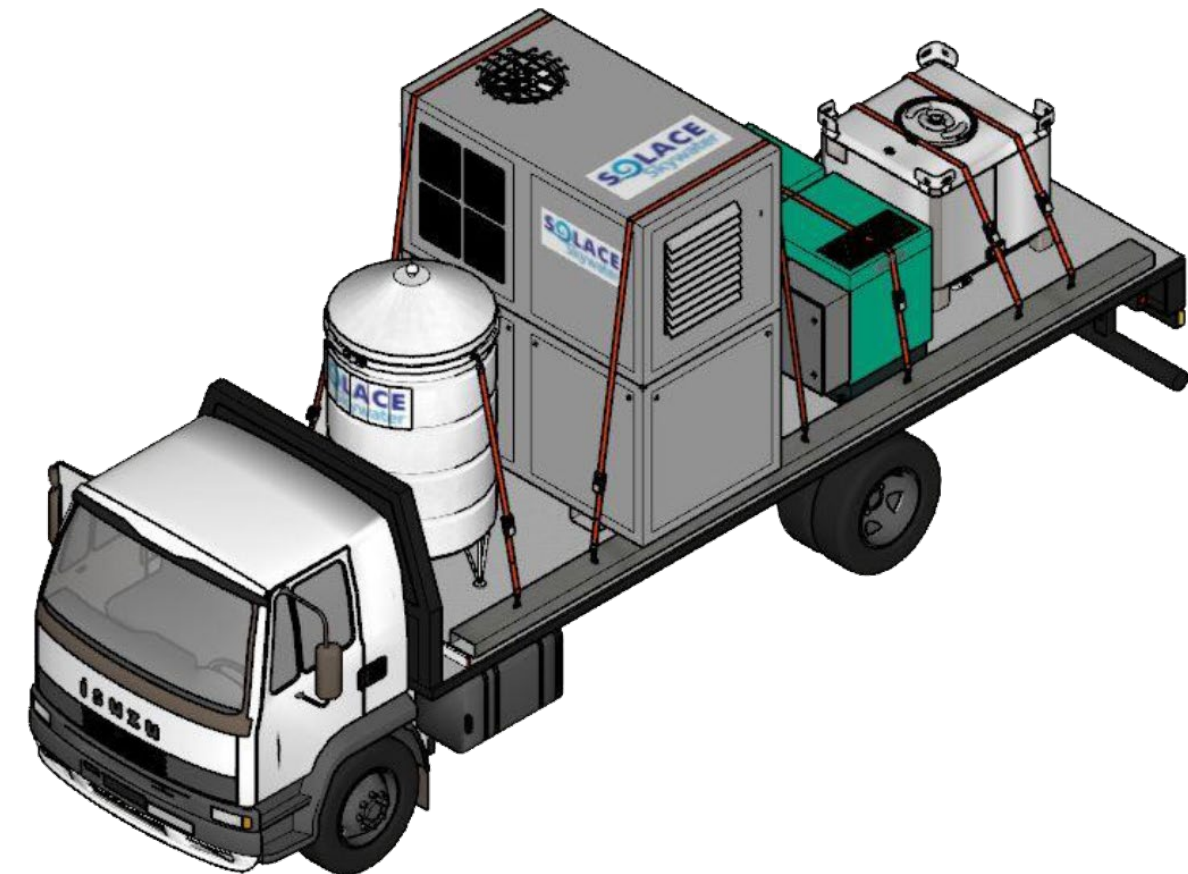

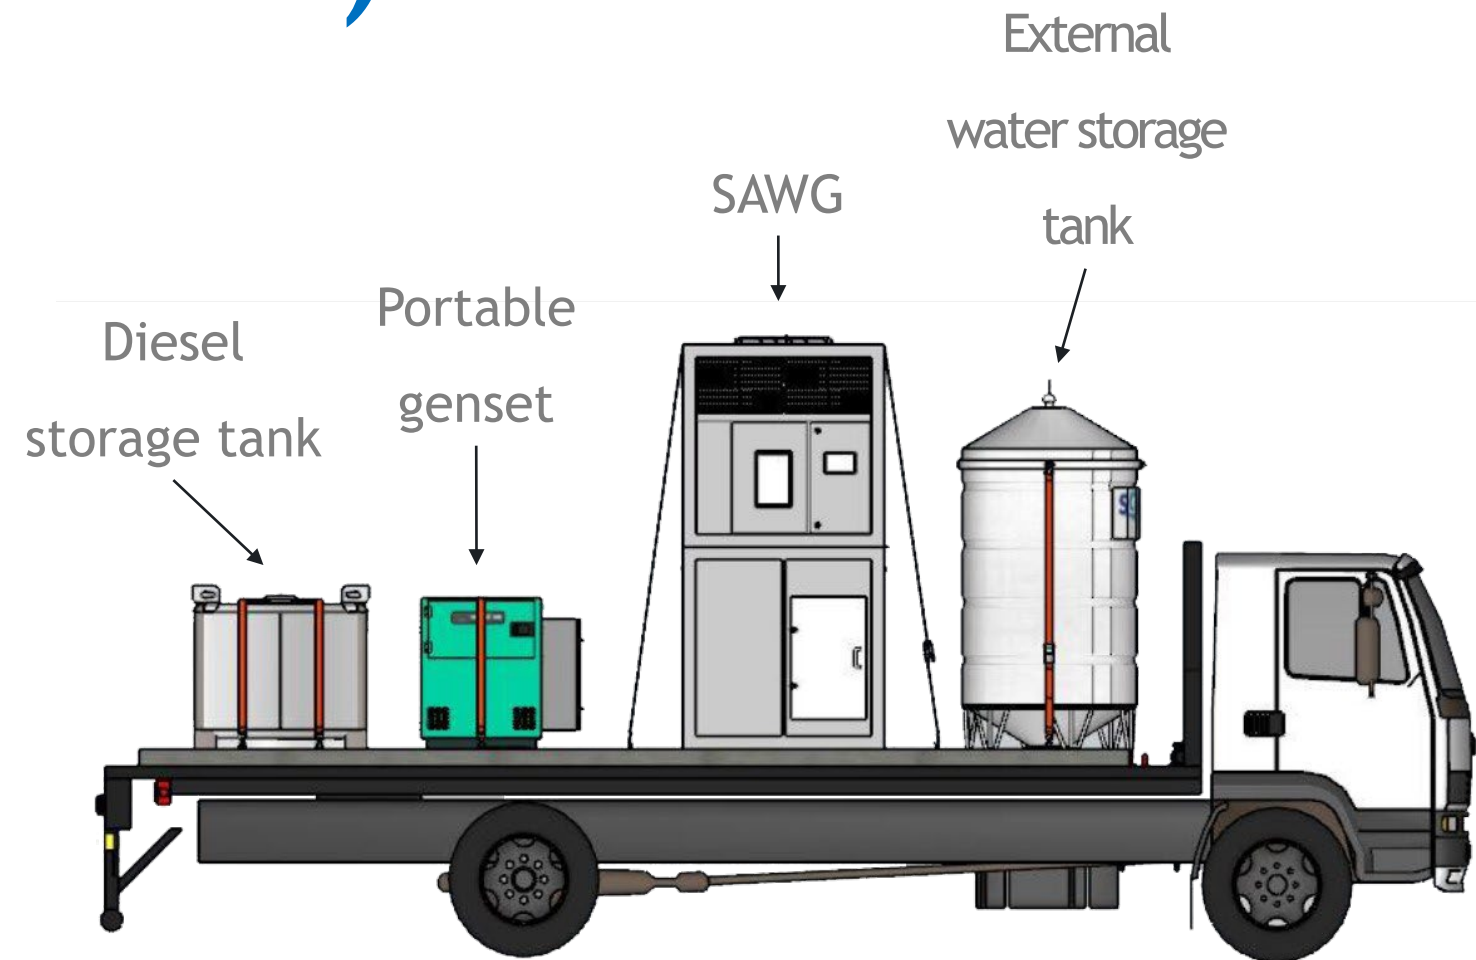

Hook-up the SAWG to any external water dispenser unit for more flexibility

## ★ MULTI POINTS WATER STATION

SAWG unit is capable to be connected to multiple external water dispenser units to setup multi-locations water stations

# SOLACE ATMOSPHERIC WATER GENERATOR (SAWG)

## PORTABLE WATER SOLUTION

Suitable to cater emergency response and disaster situation.

Generates drinking water on-the-go and on-the-spot

SOLACE ENGINE DRIVEN HIGH-PRESSURE PUMP  
ZONE 2 / DNV 2.7-1

### Equipment Information

Solace's precision balanced multi-purpose triplex plunger pump is a ZONE 2 rated unit and a proven solution for a wide range of applications, including fracturing, cementing, acidizing, pumping, coil tubing, hydrotesting, and IWOC systems.

It is an exceptionally versatile pump, capable of delivering a broad range of pressures, simply by changing the fluid and assembly.

Special Conditions impose onto this license:-

Subject to the special conditions as attached.

General requirements of this License are as stated in the next page.

Reminder: Licensee Must Apply For Renewal 3 Months Before The Expiry Date.

### PETRONAS LICENSE GENERAL CONDITIONS

- Company is required to register, obtain a license, permit or authorization from the relevant authority to carry out the services or supply of product or material used in company's operation and activities;
- This license is not transferable to any company/other party;
- This license will be revoked if the company is found to be in the process of liquidation, winding-up or dissolution;
- Company shall inform PETRONAS on any changes related to company's position such as equity ownership, board of directors and management staff within fourteen (14) days. Failure to do so can result in revoke of License;
- Company should take immediate action to adhere to the special conditions imposed as stated in the appendix of the PETRONAS license certificate and to inform PETRONAS on the progress of this action;
- Company is not allowed to take another company as principal, agent, sub-contractor or otherwise to provide any service or supply of any facility, fittings or equipment on its behalf without prior written consent from PETRONAS;
- Company shall allow PETRONAS representatives for inspection visit / site / company audit and review / copy of documents and interviewing employees and related parties;
- Sub-contract work to another contractor without written permission from PETRONAS.
- Reject any contract or tender awarded.
- Entering or accepting contract or tender during the license suspension period.
- Provide false, inaccurate or misleading information.
- Does not follow tender's regulations and ethics including but not only limited to sending poison-pen letters, bribing or lobbying.
- Engaged in any inappropriate activities with this License.
- According to Act 9, Petroleum Acts 1974, a person who initiate or continue any business or continue providing services as mentioned in Act 3 without a license or do not comply with any condition of the license is committing a crime and can be fined not exceeding RM50,000.00 (Fifty Thousand Ringgit) or imprisonment for a period not more than two (2) years or both and in respect of each continuous crime, it is subject to further fine of RM1,000.00 (One Thousand Ringgit) for every one (1) day or any part of one (1) day which the offense continues after the first conviction is recorded;
- This approval is not an agreement/guarantee that your company will be called to participate in a tender or quotation of PETRONAS or its subsidiaries;
